Corrective Action History

FINDING: The school system's current local wellness policy (LWP) does not contain all the minimum required elements. The missing elements required in the policy are:

1. Specific goals for:
   a. Nutrition Education
   b. Nutrition Promotion
   c. Physical Activity
   d. Other School-Based Activities to promote wellness
2. Nutrition guidelines for all foods and beverages sold on the school campus during the school day that are consistent with Federal regulation for:
   a. School meal nutrition standards, and
   b. Smart Snacks regulations
3. Nutrition standards for all foods and beverages provided, not sold, to students during the school day (e.g. in classroom parties, snacks, rewards).
4. Policies for food and beverage marketing that allow marketing and advertising of only those foods and beverages that meet the Smart Snacks in School nutrition standards.
5. Permit the public to participate in the development, implementation, and review and update of the LWP.
6. Plan for measuring implementation, at a minimum every 3 years (triennial assessment).
7. Description of how the School Food Authority (SFA) will inform and update the public about the content and implementation of the LWP.

CORRECTIVE ACTION: The SFA will develop a detailed Plan of Action (POA) to address the missing elements in the current LWP. A copy of the POA should be submitted to the state agency reviewer as documentation of corrective action.
